

# Stephanie Stewart

## Artist Bio

Northeast Ohio self-taught artist Stephanie Stewart is an up-and-coming artreprenuer. Her works are known to

capture the strength and beauty of her Black American culture.

As a homemaker and gardener, Stewart uses a broad range of acrylic paints and abstract influenced techniques, in an attempt to bridge the visual 2D elements with the amazing formation of life.

Owner and lead contributor of P31 Art & Deisgn LLC, Stewart has built her family run company based on the undeniable redemption at a new chance in life given in grace to do good works. (Ephs 2:10)
