### **Timeline**

Selected artists will be asked to create a rendering of their proposed artwork which will center on the theme, "Beautiful Northeast Ohio"

Installation will occur by August 1, 2023.

## Selection Process

A Selection Committee will review artists applications and previous work to determine finalists. Selected Artists will be provided with a \$250.00 stipend to create a rendering of a final piece, which will be painted directly onto the three dimensional aluminum wing.
